

BIOGRAPHY

Robyn Bradbury, Chief Financial Officer, Core & Main

Robyn Bradbury is the Chief Financial Officer for Core & Main, a leading specialized distributor with a focus on water, wastewater, storm drainage and fire protection products, and related services. As a member of the executive team, Bradbury provides strategic direction for the company's overall financial condition and performance.

Bradbury, who assumed the role in March 2025, leads the company's finance, information technology and strategic operations departments.

Prior to her CFO role, Bradbury was the Senior Vice President of Finance and Investor Relations where she developed and led the company's [investor relations](#) function. Her team led the company's successful initial public offering (IPO) in 2021 and spearheaded the company's first ever Investor Day in 2023. Her responsibilities also included oversight of Financial Planning & Analysis, Data Analytics, Incentive Compensation, Treasury and Risk.

Bradbury has more than 20 years of experience in the finance industry, serving 15 of those years on the Core & Main team. Bradbury earned bachelor's degrees in both finance and accounting, in addition to her MBA from Lindenwood University.
