Core & Main Named 2019 Top Workplace for Third Consecutive Year

ST. LOUIS, June 21, 2019—[Core & Main](#) LP, a leading U.S. distributor of water, sewer and fire protection products, has been named a 2019 Top Workplace by the St. Louis Post-Dispatch for the third consecutive year. The St. Louis Post-Dispatch partnered with an independent research company to survey associates in the St. Louis region.

“We are a Top Workplace because of our associates,” said Laura Schneider, chief human resources officer for Core & Main. “People are at the core of our success, and as a company, we strive to create an environment where our team can grow personally and professionally.”

According to survey developer Energage, a company earns the Top Workplace recognition by putting the employee at the center of things and creating the right environment to unleash potential and inspire performance. Core & Main moved up the rankings this year from 28th to 21st in the mid-sized employer category, which includes businesses with 149 to 499 employees in the region.

Core & Main’s associates are committed to our company mission: *We are industry leaders, supplying local expertise, service and products nationwide to build innovative water, wastewater, energy and fire protection solutions for our customers and the communities we serve.*

We invest in the development and well-being of our people, who are the key to our future. Together, we act with honesty and integrity because we believe strong relationships make for strong communities.
