Tom Hart, Regional Vice President, Northeast Region
Core & Main

Tom Hart is the regional vice president, Northeast Region, for Core & Main. Hart is responsible for sales growth, profitability and operational excellence for the states of Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New York, Pennsylvania, Rhode Island, Vermont, Virginia, and West Virginia. Core & Main is a leading distributor of waterworks and fire protection infrastructure products in the U.S.

Since joining the organization in 1988, Hart has led his team through a company divestiture and nine acquisitions. He excels in leadership, business development, attracting talent, new product introduction, finance, operations and analytics. He has deep experience with water meters and the municipal customer base. Hart played an integral role in the creation and facilitation of in-house operations leadership training for Core & Main's Waterworks business. His early career included warehouse, retail management and wholesale sales roles.

Hart has a bachelor's degree in communication from University of Wisconsin-Milwaukee. Since 2015, he has served on the board of directors for the Cleveland Print Room, a nonprofit organization supporting the photographic community.
