

TO OUR CUSTOMERS  
**COMMITTED TO YOUR  
 SAFETY AND OURS**  
 TAPPING INTO THE NEW NORMAL

Core & Main is a leader in safety. And that’s more important than ever for our customers, associates and communities. We follow and exceed CDC and local COVID-19 protocols. Our goal is to ensure our **customers feel comfortable, safe, and confident.** We are the No. 1 partner right now and for the long haul.

To continue to operate with safety top of mind, we have made some changes to how we do business for the time being. **We are committed to respecting your safety guidelines while we follow our own requirements and best practices.**

Our Commitment to **SAFETY** Includes:

- Required training on all company COVID-19 safety protocols
- Daily temperature and health certification survey where posted
- Required face covering, social distancing and hand washing
- Following CDC guidelines and local requirements
- Thorough cleaning and disinfecting at our facilities
- Use touchless and paperless solutions including a paperless proof-of-delivery app
- Continue drive-thru will call where possible
- Where local law requires, and depending on virus spread in our communities, branch access may be restricted. Please call ahead to make sure your local branch is open.

Our Reliable **SUPPLY** Chain

- We are closely managing our robust supply chain to get you what you need, including nationwide access to products and services
