Core & Main's Dave Burns Receives Chapter Merit Award from NUCA

ST. LOUIS, April 22, 2019—[Core & Main](#) is pleased to announce that Dave Burns, district manager, was bestowed the 2018 Jeffrey Hanson Memorial Award for Outstanding Contribution by the National Utility Contractors Association (NUCA). Burns received the Chapter Merit award at the 2019 NUCA Annual Convention and Exhibition. Chapter Merit Awards are presented to NUCA chapters that support their members, NUCA, the industry, and their communities with outstanding services, events, and information through quality publications and websites. Burns has supported his NUCA chapter, which represents Central and Southwest Virginia, for more than 30 years.

[NUCA](#) is the leading trade association working solely for the utility construction and excavation industry in the United States. NUCA's nationwide network of state/regional chapters and member companies represent utility contractors, excavators, suppliers, manufacturers, and other providers in the water, sewer, gas, electric, treatment plant, telecommunications, and excavation industries.

About Core & Main

Based in St. Louis, Core & Main is a leading distributor of water, sewer, storm drain and fire protection products in the United States. Operating more than 250 branches nationwide, the company combines local expertise with a national supply chain to provide contractors and municipalities innovative solutions for new construction and aging infrastructure. Core & Main's 3,000 plus associates are committed to the safe distribution of water and fire protection to help communities thrive. Visit www.coreandmain.com to learn more.
